NA505B

300W 20A DC-DC Step Down Constant Vol

- High Power DC-DC Step Down Module
- Input Voltage: 6-40V DC
- Output Voltage: 1.25-36V DC
- Efficiency: 97%
- Maximum Power: 300W
- High-power LED driver.
- Lithium battery(or lead accumulator) charge.
- Vehicle-mounted power supply.
- Low voltage system power supply.
- 6V, 12V, 14V, 24V battery charge.
- On-board laptop power supply.
- Regulated power supply.
- Low voltage power supply system.
