

BSR040

BRACKET FOR ULTRASONIC SENSOR CAT/OWL EYE

- **Ease of Installation:** Designed for simple assembly and installation, this bracket saves time and effort, allowing you to focus on your project rather than complex mounting procedures.
- **Versatility:** Compatible with the HC-SR04 ultrasonic sensor, this bracket is suitable for a wide range of applications, including robotics, distance measurement systems, interactive installations, and more.
- **Lightweight Construction:** Constructed from lightweight materials, the bracket adds minimal weight to your setup, ensuring optimal performance without sacrificing stability.
