

## CDBCM

### CAMERA BODY CELLING "UFD"

- **Stylish Aged Brass Finish:** Featuring a stunning aged brass finish, this adapter not only provides abundant light but also adds a touch of elegance and interest to your ceiling fan setup, making it a perfect accessory for modern and classic interiors alike.
- **Easy Installation:** This sloped ceiling kit replaces the existing canopy on most Monte Carlo ceiling fans, ensuring a seamless and straightforward installation process, allowing you to enjoy your new lighting in no time.
- **Durable Construction:** Crafted from high-quality materials, the MC93BP is built to last, providing reliable support for your ceiling fan while maintaining its stylish appearance over time.
