

DC002

DC SOCKET DC002 (3.5 * 1.1 MM)

- Working voltage : 6V to 30V
- Power rating : 1A
- Size : 3.5mm
- Contacting material : High quality Copper
- Highly insulated for short circuit protection
- High temperature withstand
- Long-life approximately 10,000 working hours
- High wear and tear properties
- Durable and excellent design
