

I5USB

IPHONE CHARGER LEAD

- High Quality Charging data cable.
- High-quality wire makes our cable support 2A charging current. Faster speed for charging any Lightning device than normal cables by connecting the USB connector into your wall/car charger.
- Our cables are made of high quality wires, rubber, and silicon.
- Especially the ALUMINUM shell makes connector more sturdy and durable.
- Compatible with iPhone 5, 5C, 5S, SE, 6, 6 Plus, 6S, 6S Plus, 7, 7 Plus, iPad Mini 2, Mini 3, Mini 4
- It works with any Apple watch, iPhone or iPod model
