

JS584 SLECTOR SWITCH 12 PIN

- Type: 12-Pin Selector Switch
- Robust Construction: Built for durability and long-term performance
- Versatile Functionality: Ideal for complex control applications and machinery
- Smooth Operation: Ensures reliable and easy switching between positions
- Compact Design: Space-efficient for easy installation in various setups
- Clear Pin Layout: Simplifies wiring for quick and accurate connections
- Wide Voltage Rating: [Specify voltage, e.g., 250V AC] for compatibility with diverse systems
- Current Rating: [Specify current, e.g., 10A] to ensure safe operation
- Extended Mechanical Life: Designed for high switching cycles
