SEW9411

Smoke Detector

• High Quality Smoke Detector with Photoelectric sensor
• Anti-light, Mothproof and dustproof for longer and efficient working
• Detection area 20 sq.m
• Sensitivity: Grade 1
• Alarm Outpout NC/NO
• Working Voltage; 12V DC, Working Current: <10mA
• Auto Reset Function
• Ultra Low power consumption
• Embedded ceiling installation for easy and beautiful installation

Specification for SEW9411	
Model	YH-1078
Package Size	11*6cm
Installation method	Ceiling installation
Detection area	20 m2
Alarm Output	Normally closed normally open
working environment	-10°C — 50°C; Humidity: <97%
Working current	<10mA
Operating Voltage	12VDC
Sensor type	Photoelectric maze cavity
weight	210 grams
