

STEC

SOIL EC, TEMPERATURE & MOISTURE 3 IN 1 SENSOR

- Power supply: 2-5VDC(Battery power); 5-24VDC (Select one)
- Static current: average <10mA; peak<30mA
- Response time: < 1S
- Measurement of stabilization time: <2S
- Protection class: IP68
- Working temperature range: -40 -+85
- Measurement area: Centered on the central probe, the area diameter is cylinder with diameter of 7cm and height of 10cm
