PUMPS

Solar Pump 12V DC

• Water Pump, Bigger High Quality Solar Pump 500-600 L/H
• Not self-priming, no suction lift, pump location should be lower than fluid surface in order that fluid can flow into pump body actively Waterproof, submersible
• Model Number: WP8W Voltage: DC 12V Power: 8W H-Max: 5M Flow: 10L/min
• Working voltage range: 8Vdc-15Vdc Rated voltage: 12Vdc Working current: 0.6A-1A
