

# USBDEC

## USB QC/PD/AFC TRIGGER DECOY BOARD

- Supports Wide range of voltage ranges from 5V, 9V, 12V, 15V, and 20V
- USB PD/QC/AFC fast charger supports with 100W output capabilities
- Stable and all supported code are already encoded
- Built in protection features
- 20mm x 30mm small size
- Adjustable voltage setting using DIP Switches
- Having PWR LED
- High Thermal conductivity
- Superior large copper plane for current to pass.
- Good quality FRC4 PCB Board.
